To help maintain a safe and welcoming environment for all, WMC has implemented two policies. Both policies are effective immediately.

Pets or animals are not permitted inside the church building without prior approval from the Trustees. This policy does not apply to service animals.

In addition, WMC will be implementing a tobacco-free campus. The use of tobacco products, including cigarettes, cigars, chewing tobacco, vaping devices, e-cigarettes and marijuana, will not be permitted anywhere on church property. We appreciate everyone's cooperation in helping us provide a healthy and respectful environment for our church family and visitors.
